

# Adding an 'ARGWEB' button to your ARGUK Mini-website

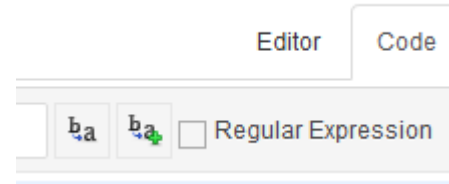

# ARGWEB – Mini-Web linking button

- Log in to your ARGUK mini-website.
- Click 'Edit' on the top menu bar.
- Click on one of the 'Extra pages' that are available. (You can change the title if you want)

- On the editor box (top right) select the 'Code' tab.

- Paste the following code, substituting your ARG acronym at the end of the URL (highlighted).

```
<a href='http://surrey-arg.org.uk/SARGWEB.php?app=LogIn&Org=CARG'><button>ARGWEB Login</button></a>
```

- Optionally, you can now click on the 'Editor' tab and add some descriptive text, before clicking
